DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF WEED, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Faith can put you in another place of the plane of spirit, faith can carry you into an unknown state, which unites with God, and is within God.

Faith is a powerful gift, which elevates you and guides you upon the path of truth and mercy.

Faith is something deeply inner, because it is the living testimony of the prayerful soul that is before its Beloved Father.

It is in this way, dear children, that faith is like the joy the soul lives when it is carrying out the Designs of God.

Faith is an attribute that affirms you, day by day, in your trust in God and in His infinite Purpose. Because faith has the capacity to carry you into living a much deeper and truer love, a moment of peace that can permeate the whole consciousness.

Faith as essence is the rudder for the humble and simple of heart, because in faith the bridges to brotherhood are built, and this consolidates the union among souls.

Faith puts you in permanent service to humanity and to the planet.

The key of faith will be fundamental in these times, because in faith all souls will find hope.

Live in faith and faith will guide you always.

I thank you for responding to My call.

Who in faith elevates you to the Heart of God,

Your Mother Mary, Rose of Peace
