DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN FRANCISCO, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

In the Valley of Peace, I make you all alike, so that you may be the smallest and humblest in the world. Thus, I will be able to accomplish My world work in humanity and many souls will be benefited by this Grace that I bring from Heaven.

This is why souls gather in the Valley of Peace, to celebrate communion with Christ and pray for the planet, striving so that the Source may descend into humanity.

In the Valley of Peace, souls are in surrender, in service and in love, available and open to receive any call to the point where, in sacrifice, they give all for love.

In the Valley of Peace, where I am always to be found, I gather the soldiers so that they may listen to the Will of the Father and carry it out as a sacred goal for humanity.

In the Valley of Peace, the attributes of the Mother of God are radiated, and, as impulses, they transform the hearts that trust in the Purpose.

In the Valley of Peace, souls open their hearts to receive Christ and, in this way, establish a deep alliance that helps them to fulfill the Purposes of the Father throughout their entire lives.

In the Valley of Peace, consciousnesses ignite their inner Mirror and make of this moment a great offer of love to the Creator.

In the Valley of Peace, souls live their freedom by being close to the Mother of God.

The Valley of Peace is the portal to the new consciousness of humanity.

I thank you for responding to My call.

Who gathers you in the Valley of Peace, love and brotherhood,

Your Mother Mary, Rose of Peace
