DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MONTERREY, STATE OF NUEVO LEON, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While the prayers of this day deeply touch the Heart of God, the nations of the world are also filled by sublime principles of redemption and of transfiguration; this way, great world and population problems are avoided at the moment in which souls invoke Divine and Infinite Mercy.

It is thus, dear children, that the Celestial Father counts on the support of all of His children, so that the surface humanity of this planet may be a rescuable project, and this is possible thanks to the pilgrimages for peace that have been taking place.

In this way, unknown consciousnesses are benefited when souls plea for Divine Mercy.

Uncertain doors are closed and new opportunities for awakening the consciousness and of activating the essence of the heart present themselves, so that the majority of consciousnesses may find the inner peace which so many yearn for.

So in this way, at this time and in this place, Divine Mercy will fulfill a fundamental role for the redemption of souls and for the forgiveness of all the faults committed.

I accompany you in perpetual prayer.

I thank you for responding to My Call.

Who contemplates you in prayer,

Your Mother Mary, Rose of Peace
