DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN MOUNT SHASTA, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

I come as a sun to the world so as to make the light of My Heart shine within all essences. My only purpose is to have My children from the Earth recognize God within themselves so that, awakening to this knowledge, humanity may embrace the Will of God.

Thus, consciousnesses may find the spiritual meaning of living in this time, and, above all, of inwardly serving Creation.

By awakened consciousnesses, your Mother forms the new soldiers who, submerged in prayer, come into contact with what they truly are and with what they have come to fulfill. This is why to love the Will of God demands of the disciples to take a great step, which will always place them on the other side of the experience, so that the learning may finally be completed.

Thus, the path of surrender makes it possible for the consciousness, in its most expanded willingness, to fulfill in all senses the Designs of God. And, in drawing to life and to matter each phase of the Plan, humanity will be greatly benefitted, even by the smallest sacrifices.

I would like My children to penetrate the mystery of Divine Will, through prayer and service, into this wide field of consciousness. Because, in this way, the Plan will be more focused, able to count upon the hands of all its servers, of those hearts that in this time are willing to concretize the Divine Work.

I thank you for responding to My call.

Who contemplates you with love,

Your Mother Mary, Rose of Peace
