DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

To go through the end of times for many of My children means to know, within themselves, all that must be transformed with love.

To apply faith in material life will help this transformation to be lighter for all your brothers and sisters.

It is thus that to go through the end of times means knowing the aspects of consciousness within yourselves, and making contact with them, working arduously so that they may be liberated and healed.

In this cycle, transformation will help to put things in their place, so that, in time to come, the spirit may reach total freedom of expression.

For this reason, with courage and inner strength, transcend yourselves so that the true Purpose may emerge from every heart.

I thank you for responding to My Call.

Who blesses you,

Your Mother Mary, Rose of Peace
