DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My dear ones,

Today, I no longer want your souls to cry, may your little hearts rejoice by receiving Me in the Eucharist. Open your arms so that I may enter into your hearts and live fully in your essences so that, in this way, My Holy Heart of Love may nourish your emptiness and illuminate the obscure spaces that your lives cannot yet achieve.

If you trust that every test, definition or step is under the gaze of My Eyes and accompanied by the infinite feeling of My Love, you will from now on be able to walk towards Me, without leaving Me behind, even for a second, because the Love of the Master only wants to make you grow from the heart, and from the unique experiences of your lives.

Stay in My Heart for a moment and you will experience the Glory of God in the Heavens, your anxieties and afflictions will calm, and you will be able to recognize that with true love everything is possible, because true love is not won nor defeated, not even by the cunning of the enemy.

My dear ones, you must recognize Me in this time, inside each heart and in the unique and divine life that the Eucharist provides you. Today, do not give up, open so that My Redeeming and Transfiguring Spirit may enter, for all eternity.

I know you well. I know what you are since your birth, and for what God has made you to manifest in life and in soul. Remember that you are all for My Father and that My Father waits for the best of you, the good and pure, because, in this way, you will help Him accomplish His Will on Earth.

Walk with Me today, by My side, because My Light will show you the next direction. Today, just remain longer in My Heart of Love.

Under the Power of the Love of God, be blessed.

Thank you for keeping My words in your heart!

Christ Jesus
