DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

With the light of the Mirrors of the Primordial Source, I illumine the planet, and especially those focal points where fire purifies consciousnesses.

The time and the hour have come to face reality and not of wanting to hide it. Humanity is living its Judgment and this may weigh with many.

But in this difficult moment for these regions of the planet may faith prevail, because in faith it is possible to regenerate all things and thus renew them.

Because of this, with a spirit of service and of selfless love, dear children, prepare your consciousnesses for greater tasks, of which your Father God will avail Himself, because He will make of each service an opportunity to redeem consciousnesses.

Live this cycle as the beginning of an Armageddon that is unknown to this humanity, which faces it for the first time.

We said in a previous cycle that incredible things would be seen; that moment has now come when Divine Justice will put in its correct place all that is perverted and disordered.

This is why I ask you that there be no thought of complaint; let the Law express itself from the Universe, and do not stop it, do not try to modify it.

Each area of the planet will be purified; the world and its surface race must not go on as they are, as if nothing were happening.

So that everything may be renewed, and a more responsible and reverent humanity may arise, prayer will be necessary, so that the foundations of the awakening and of harmony may come into being first in the heart and then in the consciousness.

It is time to face the reality that was and is generated from a place of injustice and of human indifference.

Seek the Love of God that, full of Mercy, still waits to be poured out over all the souls that seek it wholeheartedly.

Thus, the principle of the mirrors of the Primordial Source will be refracted in these consistent and loving souls.

I thank you for responding to My call.

Who blesses and prays for you,

Your Mother Mary, Rose of Peace
