DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM TULSA TO THE CITY OF OKLAHOMA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When souls unite under the same Purpose and open the doors to the Love of God, and cry out for It, the Kingdom of God is established.

It is thus that in this cycle the true science is to be found in love, which is capable of understanding, accepting and including a fellow being as they are. In this way, consciousnesses participate in the Christic school, which gives them the impulse to move forward without preconceptions and with a joyous heart to discover within themselves a potential, unknown to the being itself.

In this way, the bonds of fraternity may be woven and the bridges of brotherhood among consciousnesses or very different people may be built.

As from this new cycle on, that has begun for humanity, acts of fraternal unity will allow consciousnesses to be drawn closer to God and His Purpose. Souls will find true meaning in their existence and will have more clarity in their individual and group mission.

This unity will be the driving force that will move consciousnesses away from their static position and will place them at the service to God.

I thank you for responding to My Call.

Who encourages you,

Your Mother Mary, Rose of Peace
