DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SALAMANCA, STATE OF GUANAJUATO, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Today My Maternal and Divine Consciousness descends to the world as a great Mirror of Universal Light to reflect on it, and especially on human beings, all the divine attributes that this race does not yet manage to live or practice.

It is thus that through each prayer pronounced every day by My prayerful children, your Heavenly Mother has the permission to help souls find not only the path to peace but also the essence of their existence.

My children, knowing that humanity lives today one of its great failures due to the lack of true higher love, your Mother, as the humble servant, kneels before Her Beloved Creator to offer Herself as victim and mediator before all the outrages that the Heart of God Himself receives.

Thus, through an inexplicable Grace, the Queen of Heaven and of Earth can succor and help the ignorant souls that are most in need. When you truly pray, I can be that Mirror that through your hearts and lives can reflect the essence of the Love of God to the world. In this way, so simple and sincere, many situations can be avoided.

It will be more difficult and arduous for those souls that, being in the illusion of life and that do not seek God, miss the opportunity of knowing the true love that arises from the Heart of their Master. It is this Love of Christ, dear children, that brings Me here every day to help the suffering world and still indifferent humanity.

It is in this way that, through your hearts, I can establish the Kingdom of God so that more souls may find it again in this hour, in which absolutely everything, from spirit to matter, is at stake.

I thank you for responding to My call.

Who unifies you,

Your Mother Mary, Rose of Peace
