DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF VALLE DE SANTIAGO, STATE OF GUANAJUATO, MEXICO, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

As the Mother of all the people and all the races I will still continue in pilgrimage in Mexico to be able to heal most of the pain possible that My children live at this time.

It is so that from Heaven I light the Mirrors of prayer for them to radiate very potent streams of love, healing and liberation.

In this way, children, your Heavenly Mother will be able to penetrate with Her Divine Consciousness the spaces with most suffering in Mexico and in the world, and with the inner strength of all Her praying children She can carry out the co-redemptive work with Her Beloved Son.

Therefore, beloved children, humanity will see itself liberated from millennial mistakes by means of the Mirrors of prayer that each soul lights in the moment of simply offering Me the prayer of heart.

It is in this last cycle that the Divinity of the Son of God will allow many consciousnesses to enter the inner planes, the spaces of love, where the angels of Heaven can spiritually take care of them; this is in truth a state of Grace generated by the "yes" of all of the servers.

I thank you for responding to My call.

Who unites you to God,

Your Mother Mary, Rose of Peace
