DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My dears:

I waited to gather you in My Name, so that in your essences may be revealed the power of My Unity and of My Reconciliation. Rejoice because today you are blessed by My Holy Spirit of Redemption.

My companions:

Carry in your hearts the banner of My Absolute Peace, Peace which will illuminate you and allow you to find the consolation that you so much seek. In My Unfathomable Source of Mercy will be revealed your true task because as Shepherd of Love I am returning to gather all My Flocks so that they may remember the commitment with My Sacred Heart.

I come to search for those hearts that have still not decided to follow My Path. My Light comes to awaken in them the gift of wisdom of the Holy Spirit of the Father so that soon you may recognize what it is that God wants for each of you.

The celestial universes today respond to this encounter in a special way because My Feet are leaving an inner footprint which will never be erased from your memories. This is the footprint of My Love for you.

Now raise up your eyes towards My eyes and just say to Me:

Prayer and spiritual petition to Jesus Christ

Lord,
I trust in You, in Your Heart,
in Your Instruction, in Your Will.

Lord,
help me to be strong and invincible
before the traps of the enemy.

Lord,
teach me to walk in faith
and in absolute trust in Your Redemptive Purpose.

Lord,
I surrender to Your Blessed Savior Heart
so that, under Your Celestial Grace,
my soul and all souls that still do not

define themselves for Your only and true path
may together find consolation for our spirits,
fervor to live in Your devotion,
forgiveness to dissolve the past
and Divine Mercy to walk valiantly
towards the advent of
Your Glorious Kingdom of Love and Peace.

Hail, King!
Inexhaustible source of Graces and Pity!
Deliver me completely into the arms
of Your Supreme Creator Father.

Amen.

If you recite this spiritual petition every day you will be relieved of any disturbance and you will find the Grace of My Eternal Savior Light. Trust for one more time in My Heart.

Under the Light of the Father be blessed for all eternity.

I wait for you in prayer,

Christ Jesus.
