DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I bring a message of peace to the world, in order that souls of the Earth not forget God.

Because of this, from time to time I come to help humanity grow in consciousness and to awaken the Mercy of God in creatures.

Through My children I accomplish My work, and I give a sacred mission to each soul so that throughout their life they may manifest, fulfill, and accomplish it through daily effort and dedication.

In this way, I form new instruments so that My Son and His Father may count on the souls that are conscious of service to the greater Purpose.

Each stage of the Divine Plan that is fulfilled on this planet with the help of everyone permits the doors to Grace to be kept open.

Through the service that each instrument of God carries out, I help souls so that they may know how to purify, transcend, and redeem themselves through the tests and the confirmations that the Universe sends them.

Thus, each step that is taken for the concretion of that Divine Plan in humanity will benefit not only the planet, but also the souls that at some moment on the path will awaken from the dream of this world. Each soul of the Earth is in charge of a part of the Plan of God.

Thus, it is time for humanity to be aware of this.

I thank you for responding to My call.

Who blesses you in the Love of God,

Your Mother Mary, Rose of Peace
