### MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I will always hold My children in My arms; I will shelter them and I will protect them, even if, crossing the desert of these times, all the beasts stand against them and against Me.

I will always hold My children in My arms, because they are for the Creator the greatest treasure of all of His Creation; they are part of My Womb and the blood that flows in their veins comes from the fount that rises from My Immaculate Heart.

I will always hold My children in My arms, even when this desert passes and we find the New Jerusalem, the promised Land, where the Will of the Creator reigns and where there is no other that triumphs except the Father.

My children, I have you in My arms, crossing the great desert of these times, where assaults persecute the Mother and the children of God. However, My steps of light cannot be overtaken and there will be no darkness capable of stopping Me. Therefore, I will only ask you to keep yourselves in My arms and to not fear.

I have you placed in My Heart, where the love that I feel for souls and for Life defeats any darkness and converts any evil. Let your heads rest on this Heart and only hold yourselves tightly in My arms, because one day the desert will end and then the House of the Father will come, the safe Dwelling Place for the one thousand years of Peace.

While you are in My arms, the cold winds may blow and the night may fall upon us, but the Sun of My Essence is unquenchable and will always illumine the path. That one who is in My arms will not be lost, because I will walk with them and protect them.

Be innocent and surrendered like children; let Me hold you in My arms and show you that without your Celestial Mother there is no life. I sustain you, I protect you and shield you in the desert and beyond it.

There will be days, children, in which you will feel lost, because the desert sometimes seems to have no end, but keep yourselves in My arms, pray with Me and listen to the whisper of My sweet voice in your hearts, saying: *"I am here."*

My children are the greatest treasure of Creation, it does not matter what error they have committed or how they have deviated from the path, because errors and deviations are the result of the learning process that they experience in this world. Do not mistake what you do with what you are. Seek the truth within yourselves and keep yourselves in My arms.

The enemy pursues the Lady Dressed with the Sun through the desert, because his darkness ceases in the presence of the Mother of God; because his reign fades away and his treasure of illusion is lost when souls discover the truth about themselves and abandon the deception, and let themselves be guided by the inner Light.

Come, My children, keep yourselves in My arms, and little by little, step by step, I will not only protect you, but I will also teach you to be worthy children of God and to find the truth.

Stay in My arms and pray with Me. Listen to My voice and do not distance yourselves from Me.

Believe it, the enemy does not rest and seeks to intimidate My children, because he wins through fear and illusion. Therefore, My beloved ones, place in your hearts the certainty of the triumph of God, because if you are in My arms, nothing will happen to you.

I want to show you the New Celestial Jerusalem, the promise of God that still exists! Do not seek on Earth something that is in the divine dimensions. Stay in My arms and I will guide you to the truth and I will open your eyes so that you may find the Will of God.

I love you, I shelter you and I thank you for being the greatest treasures of My Heart.

I want you, children, to protect the Marian Center of the Child King, because here My source of Redemption must become life.

Close the doors to the enemy, who brings you uncertainty and despair, and hold yourselves in My Heart.

The children that are redeemed today will build on the Earth the triumph of My Kingdom, and it is on them that I will cause the New Jerusalem to descend, that will finally take shape in matter, when this has been purified and consecrated to the Father.

I bless you with the sign of the Holy Cross,

In the Name of the Father, the Son, and the Holy Spirit.

Your Mother Mary, Rose of Peace
