DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The greatest suffering that My Maternal Heart observes in this humanity is the lack of love in the heart. This is why, dear children, to be in the Love of God, to live in the Love of God and to work in the Love of God is what will allow you, in the end of times, to make wisdom blossom in humanity.

Dear children, a path to find the Love of God is to open your hearts to prayer, because it is the mediator, it is the new Light that is arriving in the consciousness of all of My children.

My children, as Mother I am here among you to teach you to walk in the art of prayer, in the life of prayer that all My little children need to awaken and to carry out in these moments.

You can count on My Son Jesus, who is the living expression of prayer, of the perpetual union with God the Creator. When I invite you to pray for peace and for Light in humanity, I call you so that your hearts may become merciful, so that they may imitate the path of humility and total giving to the Creator.

Dear children, therefore, walk, walk and do not detain your steps in the life of prayer, because thus My Immaculate Heart will accompany you and God will make use of your prayers.

The Work of God in this time is the redemption of all souls, and the prayer that is born from the heart will be the great key for the salvation of the most humble and of the ones in most need of peace.

Listen to My call and remember that these are My last words in this cycle of humanity. Prepare your hearts by being constant in prayer.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
