**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

While the world still does not stop to contemplate the Heart of God, the Father sends Me to call you today to practice the prayer of the heart. The prayer of all of the faithful ones will give the sustenance to help humanity. The prayer of those devoted to My Immaculate Heart will unite the hearts with God. The prayer of the humble and the servers will awaken the devotion and the faith in the defining moments.

Dear children, united by means of prayer you will be prepared, as missionaries, to assist the need of peace in the world. Therefore, My children, pray much and consider this sacred exercise of prayer so that your lives may be guided by the Holy Spirit.

My children, by uniting your hearts to each group of prayer, you will be uniting to the Christic Love of My Son. For this reason, today I also invite you to consider the important union among the groups of prayer so that in this way your souls may be one in fraternity and peace. Once you unite all your groups of prayer as one group, you will be giving the Almighty God the permission to act in each one of you.

Little children, as Mother of the Pilgrims, today I guide you through a New Path that many of My children are taking again; and this Path is called Jesus Christ the Redeemer, your Savior. He must be your inner alliance and you must have the purpose of living with Him through prayer.

Dear children, keep this mission in mind, knowing that My Heart will help you.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
