DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

Before the Venerable Heart of Saint Joseph, may your hearts be filled with love, so that forever the truth may reign and you may liberate yourselves from past suffering.

Dear children, Saint Joseph is the Father of all essences, and in your essences are life, origin and the beginning of all.

Your essences are the ones that are able to fulfill the Purpose of God, because through your essences the goals of Creation are fulfilled.

I need, dear children, that your essences be humble and resplendent to the Eyes of God.

In your essences is the synthesis of your journey through the Universe and through this planet. Your essences are able to be this portal so that at the end of times, souls may avail themselves of them.

In you, dear children, is this potential to be able to love more each day. I need, My children, that your inner worlds serve as a relief to the great planetary pain.

Through service, in the humanitarian missions, a history of love, of forgiveness, and of mercy is rewritten.

Be essentially the example that the Universe needs to be able to carry out this last phase of the rescue operation in humanity.

The Sacred Hearts expose Their inner temples to all with the end that you may approach the Kingdom of God, the one that also inhabits the sublime worlds.

Open your eyes to the true reality because thus you will be in communion with the Father, the Son and the Holy Spirit.

I thank you for responding to My call.

Who loves you infinitely,

Your Mother Mary, Rose of Peace
