DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE SACRED HOUSE OF MARY, PAULISTA MOTHER, IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When the inner gardens that were on the verge of drying up are watered by the water of the Love of My Heart, everything blossoms again.

Now that you have learned, through example, to look after and protect the Work of God, I need, dear children, for you to take your positions so that the currents of the Universe that will arrive may be correctly guided through the impulses that I bring to you.

Because of this, dear children, in this time, each step that is taken in the maturing and in the consciousness of everyone, helps the Plan of the Creator to manifest in a greater number of hearts that heretofore were not aware of their true mission.

The moment has come, in this time, for your hearts to be the ones to re-open the doors to all the universal impulses that will come.

Because of this, the Work of God is designed in the most simple, in those hearts that open their inner beings to recognize the instruction in the word of life.

Thus, dear children, it is by means of the sacred word that My Heart comes to guide you so that each step you take may be permeated by the purest love of the heart.

On this day, I come to awaken your inner interest for the Plan of the Father, and for you to decisively form part of the army which you are invited to join.

In your hearts is the consciousness and the path, in your souls exists the union with God, I simply invite you to seek it.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
