DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE BUS EAGLE OF LIGHT, DURING THE TRIP FROM THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO THE CITY OF SAO CARLOS, STATE OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When I see you sleeping before My presence, I only remember your moment in the maternal womb.

May that dream which you live restore your consciousness, and may you always remember that you hold within you a valuable inner child that is still learning to grow in love and in charity.

That is why, when I see you sleeping before My presence, you also remind Me of the Child Jesus surrendered into My arms, after I had nursed Him with the sap of the Holy Spirit.

Remain in My arms and give Me your weariness so that I may heal and nourish you with the same essence with which My Beloved Child was nourished.

Let me bathe you with holy water, and in My arms I will cause you to sleep so that you may feel peace and consolation.

All will be recovered, because I will place you in the divine crib of My Beloved Son, so that the Laws of healing may act in each one of you.

Smile at the Mother of all the children of the Father because the time to renew yourselves has come.

I thank you for being in My arms.

Who maternally protects you,

Your Mother Mary, Rose of Peace
