DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

May the song of healing and of planetary redemption be intoned, so that the uncertain doors may be closed in the human consciousness.

May no singer desist from serving the Kingdom of God with their simple voice.

May the notes and musical melodies, on this day, be activated so that the souls of the world hear the Great Call within themselves.

May the choirs of the Earth, formed by the great armies of souls in service to the Plan of God, unite in communion with the potent angelic choirs, so that in the whole of this Universe, the sacred key of peace and of reconciliation may be emitted.

With each piece that will be presented today, may the sublime Universes descend to the planet so that the human consciousness may continue to be worked upon, and in this way, the creatures may find again the meaning of their spiritual life.

May each singer that will emit the melody of harmony, place the nations of the world in their heart, so that some time of peace may be established where it no longer exists.

May the hands of the choir members unite among themselves to draw to the Earth a unity between humankind and God, that nothing be separated anymore; may sacred brotherhood reign so that each soul fulfills its precious mission.

May each instrument radiate the note of healing that many souls lack, and in this way, each heart may receive the inner impulse that it needs.

May this meeting of music endure throughout time, and through the offerings may all the choirs never cease to embrace the call of the celestial choirs, because I assure you that you will be participants in the announcement of the second Coming of Christ.

May your hearts rejoice and may the foundations of this meeting of music be strengthened by the love of all for the Greater Divine Purpose.

May the doors of this meeting of music be kept open so that new singers may come, and in this way, the brotherhood expand beyond the nations, the peoples, and the races.

May My children of the world keep in mind that I still wait for the souls that will offer themselves to form part of the sacred production of this celestial event.

I wait for you.

I thank you for responding to My call.

Who unifies you,

Your Mother Mary, Rose of Peace
