DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

To be deserving of all the Graces, first, you must take care of them. This will represent throughout the Universe the true care for the spiritual Gifts that you receive.

The Graces I bring you are not the same as those from the past. Everything renews itself from the moment that God grants an atonement to the soul and to the heart that needs it.

Graces must be protected from the adversary because he will always try to deactivate them within the consciousnesses that had once received them.

Graces are like delicate flowers in a garden, which must be sheltered and protected by your prayers.

They are the greatest treasure that descends from Heaven in these times, even though humanity is indifferent to how much it receives through Divine Providence.

I would like those of My children who are closest to Me to be guardians of all the Graces that I give to souls because, in truth, I tell you, that in the face of the time of purification that approaches, that source of Grace will cease upon the whole planet so that souls may offer to God the Gifts they received directly from His Heart and, thus, the great moment of the redemption of humanity may arrive.

Be attentive to the times that are approaching, because, in this way, you will be prepared.

I thank you for responding to My call.

Who blesses you in Love,

Your Mother Mary, Rose of Peace
