DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Holy Mary, Pure and Faithful Mother

Dear children,

In these times of great challenges and tests, may you learn to live through the example of your Pure and Faithful Mother.

May a healthy and true intention that faithfulness reign exist in you, just as the faithfulness of My beloved Son and of His Heavenly Mother reached the foot of the Cross, only aspiring to fulfill the Sacred Will of the Father.

In these extremely harsh times of transition, may sacred faithfulness motivate you to guard the Plan of God and all the souls of which it is composed, obeying each spiritual and inner decision that is made by the spiritual and planetary Hierarchy.

In this way, in humility, you will learn, as the Sacred Family did, to follow in adherence and union all the steps that are indicated for the fulfillment of this Work, which is worldwide.

Dear children, I wish the sincere aspiration to awaken in you of respecting and following to the limits of consciousness and matter all the decisions that are made, because behind something apparently incomprehensible to the human mind, a divine and sacred Purpose exists.

In order that each one of you in this time fulfills the aspiration of your Heavenly Mother, I invite you to lovingly respect the Law of the Hierarchy and to not step outside of that precious Law through your actions, thoughts, and assignments.

I invite you to lean upon the faithful example of Christ and of His Universal Mother, which leads all of humanity into finding salvation and the Mercy of God.

For that reason, My children, may your consciousnesses and especially your hearts be awake and more attentive so that the doors to betrayal and to indifference among beings of the good not be opened.

I only ask that you have enough maturity and love to behave in an evolutionary manner, as souls that are within the path of brotherhood and of unity.

I do not wish to see any other Judas in this time with My eyes of a Mother.

Learn to forgive injustice and you will be able to be wise in spirit rather than in expertise.

Know that each one of the servants and of the consecrated of Christ, our Lord, is spiritually responsible for this Work, which is a miracle of infinite love of the Hierarchy, being able to gain results and thus be fulfilled.

Dear children, today I speak to you through My Aspect of faithfulness and of purity so that you believe that, in truth, it is necessary to protect the Work from yourselves.

Seek in each new decision the purpose of Higher Love and do not remain in the superficiality of things.

You were born to reach faithfulness in the end of times. This causes this Work to be purely true and transparent before humanity.

I wish that in this cycle of changes and of renovation, you may take steps towards a deeper unity, because this way, you will be protected in the desert, along with your Heavenly Mother, escaping from the claws of My adversary.

Evil does not know love and fears christic love. Evil does not know unity and fears the unity among souls which congregate in Christ.

Lastly, be merciful, and you will not lose discernment.

Love the divine and human decisions that are made, because if you accept without understanding, judging, or betraying the Work, you will have the same discernment that My beloved Son had during His agony in the Garden of Gethsemane.

Do not challenge the adversary, be meek in all things and you will always achieve peace.

With My Spirit of Faithfulness, I ask you to unite with it so that you are not so unprotected.

The divine Work has not yet ended, and you are a part of a new story that is being written.

Meditate in humility, and My maternal words will resound in the depths.

I thank you for responding to My call.

Who unifies you,

Your Mother Mary, Rose of Peace
