DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

I am that Bird of Light that comes to announce peace to the world.

I am that Bird of Light that comes to guide Her children on the path of love and of the good.

I am that Bird of Light that circles the spaces to bring wisdom to a civilization that needs it very much.

I am that Bird of Light that brings hope and renewal to consciousnesses.

I am that Bird of Light that helps to raise the spirit of each being so that all may meet with the Father.

I am that Bird of Light that descends to the abysses of the Earth to rescue each one of the children of God.

I am that Bird of Light that awakens devotion in the hearts so that divine communion may be established.

I am the Bird of light that takes care of and protects the essences that surrender in trust into the arms of the Celestial Mother.

I am that Bird of Light that concedes pardon and reconciliation with the Divine.

I am that Bird of Light of mercy, and I hope all My Children will live this powerful gift of liberation.

I thank you for responding to My call.

Who unifies you,

Your Mother Mary, Rose of Peace
