DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Worry is the lack of attention to your own economy of energy, and the art of prayer replaces this worry for a greater occupation: to become a Mirror of the Divine Consciousness.

Therefore, each time that worry or frustration may be stronger than faith, place the mind and the heart on prayer, and you will see the result of this powerful flow that is the Divine Word Itself.

In this way, open the doors to hope and you will be able to penetrate many mysteries, of how the art of praying not only elevates but also concentrates your own consciousness on positive currents of energy.

When prayer is correctly invoked, it is capable of tearing all obstacles to the point of bringing inner light to many issues of life.

It is time to affirm yourselves in the power of this flow so as to attract peace in these times. I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
