DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

After Jesus was in Bethany together with the twelve holy women, Our Lord departed towards Jerusalem, accompanied by some of His apostles. That was the moment in which He, as a man, would face His great spiritual task for humanity.

On that journey, the Master visited other places that were on the way, where He placed more codes of Light, in order that humanity would use them in the future and through the following generations that would come after Him.

For the last time, and in the inner presence of the Father, My Son went through some cities and villages, accompanied by His apostles, to teach them how to cure, heal, release the possessed, and above all, to teach and proclaim the Good News.

The Holy Lord sought to leave engraved in the consciousness of humanity the importance of His presence on Earth and the expected moment of His second Return to the world.

In this sense, Jesus, who would after be recognized as the Christ, revealed to souls the highest degrees of love in order that they, despite any circumstance or situation, would never forget that the Love of God is present in all that is created.

In this way, My Beloved Son travelled through several places of the Holy Land before entering Jerusalem on the Sunday, when Easter would begin; the moment in which the lamb would be slain and sacrificed by the very hands of those who had delivered Him up by deceit and by error.

During His visit to the villages of the region of Israel, My Beloved Son left spiritual keys there so that, after He was condemned to the Cross of the world, souls would remember who indeed He had been.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
