DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

My dears:

Find today eternal rest in My Redeeming Heart because as Master and Father of souls I only seek that you may meet with My Father through Me.

For this My Love sustains your lives and, even in the great difficulties, you must love profoundly the Will of My Father in order to learn how to extirpate self-will. Self-will is the path which the souls choose to wander in this time, for this they distance themselves from the true Wish of God to be able to realize their own projects of life.

God must be in all, all of the days, so that as part of His Creation you may be guided through the path of holiness. The Lord sends Me to return to fulfill the promise made during the ancient time and now your consciousness must prepare the Inner House so that I may enter.

My dears, if I form part of your life you will be able to know the love of God and His Great Will. On the contrary, those who do not accept for their lives the Son of God - how will be their next destiny?

Dears, I walk at your side for such a long time revealing to My Friends the next steps that their hearts must give. I Am observing the walking of your feet because I aspire that you follow me through the only path and the only truth that is being always in the Lord.

Under the Love of the Holy Spirit, be blessed.

Thank you for guarding My designs in the heart!

Christ Jesus.
