

Prayer to the Christ of the Sick

On [May 4, 2017](#), during the 46th Marathon of the Divine Mercy, in the city of Porto, Portugal, our Lord, Christ Jesus, transmitted the following prayer:

"Humanity will need to recite this prayer daily, with the goal that the most fervent wish of their Lord may be fulfilled."

Christ the Restorer,
Jesus of the Sick,
dwell in each cell of this humanity.

Amen.
