DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN ESTEVE, MONTSERRAT, BARCELONA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The pain that transforms into love

My dear children,

Just as My Beloved Son lived His Passion for all of you, some of you will live the spiritual passion that He lived.

This will be one of the paths through which humanity will be purified and will be saved.

All the pain of the world must be transformed into love, because love will be the key that will always open all the doors and will bring incalculable opportunities for souls.

Thus, some of you will be called upon to turn pain into love.

This same state was experienced by My Beloved Son in an unconditional and pious way.

Jesus made Himself available to transform the pain of the world into love and into compassion.

Given the grave planetary state and the condition of humanity of these times, representatives of this race will offer themselves to the Celestial Father to transform all the pain into love.

This will help in that many souls that are lost in the unconscious abysses of the Earth may receive an opportunity of awakening and of getting out of these spaces of perdition.

All pain will be transformed into love.

In this hour of the planet, the situation of humanity is at a precipice and the ambition for more material and human power blinds many.

Thus, pain will be transformed into love through the unconditional help of those who will be called by God to fulfill this silent service.

As in past times, there will be the saints of the last times, who will precede the Coming of Christ and will give all for all, with the goal of spiritually balancing this humanity.

All pain will be transformed into love, because all evil must be defeated and emptied out from the human consciousness through the Power of the Love of God.

Many situations that the world experiences today will be resolved because of the saints existing in the end times, who will transform all pain into love and thus, souls will be alleviated, will be able to take their steps, and will become aware of the precious time that they missed to be in God.

All pain will be transformed into love and you will see the Divine Plan being fulfilled in the spaces of this world.

Souls will be purified to be worthy of the Greater Grace and no one will be left behind.

All will receive the opportunity of being conscious of their mistakes and of being able to correct them in time, because all pain will be transformed into love.

I thank you for responding to My call.

Who blesses you always,

Your Mother Mary, Rose of Peace
