DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MADRID, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When a soul or a heart surrenders and places itself in My arms, I can heal it and have it feel what is new, what is hopeful, and what is good.

When a soul places itself in My arms and trusts, I can spill the codes into it that it needs to achieve peace during its time of redemption.

When a soul places itself in My arms and trusts in My designs, I can have it become similar to the souls that exist in Paradise.

This is why surrender is not a resignation or martyrdom, but rather an opportunity of emptying as life and as an instrument, because in this way, all that is to be redeemed and forgiven will achieve its inner liberation.

In order to surrender into My arms, the soul must trust in the Love that I can give it through those who surround it, because the Father needs each soul, each life, and each heart to be capable of keeping its degree of love, because love is what will make of each consciousness a full server of God.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
