DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

Brothers and sisters, and servers of My Father:

Today I am here in the Divine Heaven of God to irradiate to you My Love and My Grace, My Mercy and My Forgiveness.

I need your inner emptiness, your detachment from ideas and projects, so that My Heart of Love may be the true project in your lives. This means to follow me, to walk as sheep, as a server or a companion at My side so that I may share with you the expressions of My Redeeming Love.

For this, day by day I am with you, encouraging you in silence, because as a Big Brother I want that you live in the Will of My Lord. I find in you many expectations, aspirations and longings that you must consecrate to the Will of God. Thus you will get to know the vast universe of the Creator because empty, you may be fulfilled of the Spirit of God.

If love is in you, you will be able to love the Will of God and thus you will receive His Wisdom to resolve your daily needs, because in all is My Father, even in the smallest. He shows Himself if you open the inner door, so that in this way, you may get to know His different phases of Love and Compassion. Infinite is your Father, so infinite that He gave His Son for you to recognize Him in Christ Jesus.

Under the Mercy of the Universal Father, be merciful.

Thank you for guarding My words in the heart!

Christ Jesus.
