Here, children, is the Mother that always hears you, the Mother who comes to your aid to remove you from any suffering and pain.

Here is the always Virgin Mary, the One Who descends from Heaven to be rejoicing together with Her children, to give each soul what it needs.

Here is the Mother of the Holy Rosary, the One Who stretches out Her arms to you so that you may hold on tight and raise your consciousness to God.

Here is the Mother who eternally loves you, the Mother who awaits you every day in prayer.

Here is the Mother who shepherds you and guides you on the path of forgiveness and of reconciliation.

May this day be a celestial party, may the Portals of Light and of Healing open over this city and may no soul lose the Grace of liberating themselves from their self forever.

May we, all together, build over this town of Carmo da Cachoeira the arc of Peace and of the Mercy of God.

May the angels of the light descend to fill the hearts with all possible Graces.

May the alliance between souls and Christ be established.

Amen

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
