MESSAGE FOR THE APPARITION IN THE CITY OF BUENOS AIRES, ARGENTINA, TRANSMITTED BY THE VIRGIN MARY TO SISTER LUCÍA:

Dearest children:

My Maternal Heart has come to you today to close a cycle of continuous Graces that God has poured through My presence in this city and in this country.

My heart has formed your little beings, teaching them step by step how a consecration to God's pathway is done through daily prayer, confession and communion with My Son Jesus.

Therefore My dears, the day of today represents the moment in which my Sacred Heart leaves your hands for an instant and observes the first steps that you take by yourselves. Do not fear, only put in practice everything that My Heart has taught you, activate for this moment all the codes of renovation that I have deposited in the inner world of each one of you and with courage, aim to live this moment of as a child who takes its first steps.

My eyes follow you day and night, guarding your steps and protecting you, so that My hands may intervene whenever it is necessary. Prayer will keep the doors open.

I thank all My children from Argentina for persevering in the Love of My Heart and today I ask you also to persevere in the Love to your brothers and sisters, a love that opens the pathway to the true fraternity which the Lord God expects to be lived by all of His creatures in this time.

Persevere prayerfully and truthfully, sheltering each of My children that I send you through the praying groups that have reconciled themselves to God.

Reconciliation, My dears, will be the eternal attribute for your hearts, it is what you are meant to develop in the name of the whole city and of the whole country, reconcile yourselves to God and to Me those who have not been able to do so, because there is time still and My Heart is waiting for you.

I thank you for responding to My Call for Peace and for Reconciliation.

Mary, Mother of the Divine Conception of the Trinity.
