DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My Celestial Government

Here is My celestial government, which has always descended to the world when your Mother descends to open the portals of the Heavens.

Here is My celestial government, formed and integrated by the angels of different hierarchies, who in obedience and in an unconditional way, serve Your Humble Celestial Mother.

Here, children, is My celestial government, which has its basic foundation in the teachings of My Beloved Son and in His Divine Work of Mercy.

Here, dear children, is My celestial government, guided by the Divine Thought of the Father and manifested by the work of His Eternal Grace.

Here, My little ones, is My celestial government, which has its universal headquarters in the Divine Church of Christ, existent and present in the sacred Spiritual Universe.

Here, My children, is my celestial government, inwardly extended in this world by those who proclaim their faith and their love for Christ.

Here is My celestial government, renewing and expressing itself in devout hearts and in the spirits that surrender for the love of service.

Here and now is My celestial government announced by the Archangel Gabriel in the first moments of the Annunciation.

Here is My celestial government, proclaimed by the humble word of My cousin Saint Isabel, and from then on by all generations.

Here and now is My celestial government, spread throughout the Universe after My Assumption into the Heavens, through the work and the immediate service of the angels.

Here and now is My celestial government, given by the Divine Father and by the Loving Son during My coronation as Queen and Mother of the Universe and of the Earth.

Here, children, is My celestial government, concretized by means of the purpose that the Almighty entrusted to Me for this Universe and for this beloved blue planet.

Here and now is My celestial government, given impulse as a work by the state of My eternal Grace, and carried forward with the maternal love of My Immaculate Heart.

Here is the Eternal Slave of the Lord, Who holds all Her beloved children in His invisible Kingdom, Who protects the steps of the wayfarers of faith, Who guides and shepherds the lovers of Christ.

Here and now is the celestial government of Your Most Holy Mother, alive and resplendent through the Mirrors, which subtly radiate the eternal principles for the emergence of the new consciousness of humanity.

Here and now is the celestial government of the Mother of God, which is carried forward throughout time with the adherence and the surrender of Her little children.

Here and now is My celestial government, manifested during these years of work with Me with the work on the surface, which is inwardly moved by the constant impulses that the Holy Spirit sends.

Here and in this time is the work of the Most Holy Mary present in the hearts that are a part of it.

Here is the Marian Work of God through all of this group of souls that has given its "yes" to Mary, just as Mary gave Her "yes" to the Archangel Gabriel.

Here and now is the work of the Co-Redeeming Mother of Christ, a work that has expanded and become widespread on the five continents, a work that reaches the souls of various languages in the world.

Here is the work of Love and of the Mercy of God through the Most Holy Mary, slowly acting and working through the love of Her children and the faith of Her soldiers.

Here is the work that arose, in the beginning, in an orange orchard of Aurora and that then emerged like a great sun for the whole planet, today managing to serve and to rescue the most lost souls.

Here is the work of hope, Mary's work and our work, guided by Her noble Heart and carried out by Her humble hand.

Here and now is the work of peace, present in the world by the Will of the Father after ten years.

Here is the work that has regenerated many lives, that has worked true miracles in hearts in need, that has returned love and life to those who had lost them.

Here and now is the work formed by many children of Mary that together with their Mother, are weaving the mantle of peace in the world, the mantle where Christ will place His Feet when He returns.

Here is the spiritual delight of Your Mother on seeing the glow of Her Grace in the eyes of Her children, and the hope expressed in the countenances of those who had lost it.

Let us give thanks to God for having allowed His Humble Lady of Peace and Mother of the Divine Conception of the Trinity to come to you so as to be able to make of your lives receptacles of Grace, instruments of love, and pillars of Her eternal and divine Mercy.

For the sharing of these ten years, today I thank you.

Who blesses you under the light of the Immaculate Heart,

Your Mother Mary, Rose of Peace
