**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

I am also with you in the adoration to the Sacred Heart of My Son. I assure you, dear children, that in It you will find the strength that your hearts need in these moments.

Little ones, the contemplation of the Divine Heart of Christ is important for your lives. Each union that is established between you and His Spirit opens a door to the reconciliation of all the causes that by mistake may have been committed.

Never forget, dear children, this perfect union with Christ so that in the times of test you may have the will to continue on the path that will take you to Him. Today I call you so that your hearts may put their attention on this ministry.

The adoration of My Glorified Son will help you to understand better the situations of life. This will allow you, My little ones, to be able to give all to His Most Holy Heart.

Adoration is an act of constant restoration of life, of mind and spirit for all hearts. In contemplation begins for you a path of communion with Christ so that later you may be able to merge yourselves with Him in the adoration.

Know, My dear ones, that this exercise is of importance for all hearts. I must tell you that the goal of your hearts will be to not take this sacred exercise as if it were just one more passage in life. Each meeting for the adoration of the Sacred Heart of My Son must be an act of reparation for your hearts and for your little souls. This will help so that the world, which adores other forms more, may at least convert itself little by little from the heart and from the soul.

Each one of your hearts must love the adoration done before the Heart of My Son. You must establish an alliance with His Sacred Heart. This will be the beginning for hope and for good will.

For this reason, My little ones, I invite you to enter into the ocean of adoration. There you will remain, traveling a new path towards Him. In this way you will unite to His beloved Heart and you will help in the relief of all hearts that do not contemplate Him.

The first hour of salvation will occur by means of the adoration of the Heart of Christ; the adoration will prepare you for what will come afterwards.

Thank you for responding to My call.

Let us pray for those who do not adore God. Let us pray for those who do not love God.

Let us pray for those who do not surrender themselves to Light.

In reverence to the Heart of Christ,

Mary, Mother of the Divine Conception of the Trinity
