SPECIAL MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF SAN ESTEVE, MONTSERRAT, BARCELONA, SPAIN, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I was in prayer, meditating upon the Reliquary of Saint Joseph, which holds His Divine Heart, when He came to continue transmitting His story. I asked Him if He could help us reach this Reliquary to understand it, to contemplate it. In that moment, Saint Joseph brought the Reliquary with His Heart there and transmitted an extraordinary message to us, saying the following:

From the beginning of my evolution until the end, I shared in the Divine Gift of Renunciation, lived by God on manifesting His Creation.

Wrapped in the Holy Love of the Father, over and over again, I meditated on everything that He lived and suffered so that His children could continue growing and developing in this world. The Reliquary of My Heart holds that Love that I feel for God, and the constant renunciation that I lived and live for Him and with Him.

If the Creator, the One God of the Universe, suffers and bears, renounces and sacrifices for humanity, where would I find My Joy, if not in imitating Him, although imperfectly? How could I?

The Reliquary of My Heart represents the perfect Mercy of God for a heart that loves Him with humility and to where the Creator guides that heart, which loves Him in this way.

In the mystery of this simple Reliquary lies a hope. That on contemplating It, souls do not seek to worship the imperfect heart of God's Worker, but rather the Divine, Unfathomable and Immaculate Grace of the Father, His Infinite Mercy and His Perfection, which converted this poor heart into a Unity with His Heart.

This is the mystery of the Reliquary of My Heart, which, in truth, must manifest in all hearts of the world: the miracle of transformation and unity with the One, which reveals the Truth of the human Essence, when its imperfection is replaced by what was hidden within, which is God Himself.

Contemplate the mystery of the Reliquary of My Heart and you will see yourselves, as potential, hidden in this Holy Reliquary.

Your Father and Friend,

The Most Chaste Saint Joseph
