MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE LOCALITY OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Behold, She will come brighter than the sun, the Servant of God, to prepare the return of Her Son, as She one day prepared His sacred Birth on the Earth.

Behold, the Silent and Humble Servant became Queen and Celestial Mother, because Her silence revealed Her Majesty and Unity with God the Father and His Beloved Son.

Just as the Heavens opened to receive Her in Body, Soul and Divinity, in the Mystery of Her Assumption, the Heavens are open again for the descent of Her Divinity and the announcement of Her Sacred Word; because the Blessed Mother of the Lord can no longer remain in silence, in the face of all that happens in the world. Her silence of other times sustained the echo of the Voice of Her Son in the valleys and in the peoples of the East, and now Her Word comes to prepare the Universal Triumph of Christ, because He will no longer come to preach and teach among humankind: the power of His Presence will be conversion itself; the power of His Feet placed on the Earth will be redemption itself for the planet. From His Mouth will only come out prayers and decrees that will unite Heaven and Earth, will close the hells and the abysses, will calm the despairs and will establish Peace.

For this reason, before the Son, again His Heavenly Mother and His adoptive Father, Humble and Faithful, approach, in order for Them to be the ones to prepare the human heart.

Children, today I tell you to listen with attention to the purposes of God, brought by His Messengers. They are like the truths said by the prophets in the past, to prepare the arrival of the Messiah in the world.

Our Word not only instructs you, but it also transforms and unites to the Universal Teaching, which will come with the Son of God, as a living expression of the Reality that dwells in the Universes.

With simplicity, We open to you the doors of the heart and the eyes of the spirit, so that you recognize the Laws that dictate universal evolution and you may enter them, in obedience and love, while there is time.

All Mysteries reveal themselves in the Law of Love and of Obedience, principles that rule all Evolutionary Life, in Heaven as on Earth. Spiritual Life reveals itself to those who know how to love and every Mystery revealed becomes simple and understandable to those who know Love, because their minds become pure and their hearts are simple.

With this, beloved children, I want to tell you that the Faithful and Tireless Servant of God comes to the world with simple words, to reveal Sublime Truths. I come to awaken Love in your hearts, so that you may comprehend Me, and without difficulties, live what I tell you.

What impedes you to live My Instructions is not the human condition, is not material karma and is not ignorance; it is the lack of true Love and of true Humility.

In a world of mysticism full of vanity and false bases of true knowledge, I come to conduct you to the Truth. But before this, I must oust from your hearts, pride and ambition for power and for knowledge.

For this reason, I teach you to love and to obey, above all things, the simple purposes of God. And it is in this way that I prepare you, transform and reveal the New Life, which will emerge in the hearts without their realizing it.

It is in this way that I unite you to the true Celestial and Cosmic Brotherhood, and I make your hearts able to be true companions of your King and Universal and Divine Master, Christ.

Behold, I am here, as Queen and Celestial Mother, and in the simplicity of My words is hidden the Power of God and the Truth that I Am. In My presence is hidden the Unity with the Infinity. And in this way I tell you that, if you unite yourselves to Me, you will unite yourselves to the Whole, to the Cosmos, to Life, to the Creation of God.

Prepare along with Me the Return of My Son, and announce, children, that it is time to repent of being in vain paths, which lead to nothing but to being lost, not only from God, but also from oneself.

Behold, I come to find you and to conduct you to the encounter with yourselves, so that you may know who you are and what you have come to do in this world. Do not be lost any longer. Follow My steps and I will guide you always.

I bless you and love you.

Your Mother Mary, Rose of Peace
