**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

In spite of all, dear children, My Plans of Peace are missions for souls and the whole world.

Dear children,

Today I carry you all in the depths of My Heart of Mother and I await you to walk through the pathway of conversion and faith. Do not lose the hope to reencounter God. He calls you so that your lives may express the Gifts of His Love on Earth. I embrace you with the Immaculate Light of My Heart so that your little hearts may discover the Gift of the Peace of God, the one which I want to radiate to the world.

United to the continuous word of prayer, many circumstances foreseen for the world, especially for the heart of humanity, are able to change for the good of all of you. Therefore, My little ones, here you will find a true inner reason for your hearts to begin to pray with Me.

I thank you especially, dear children, for the unconditional support of all of your hearts for this Divine Work of the Reign of My Peace and of Conversion. All of us as one will be able to help so that the consequences that are written for many souls may be able to change through the giving of the love of each one of you.

Through this path of collaboration, dear children, I want to see each one of your hearts. Wait with joy for the coming of the powerful Heart of the Lord upon you. Thus each soul will be communing with a deep love that will allow you to revert inner situations.

Dear children, let us meet under the Love of the Creator so that the world in its last hour may change and the Celestial Peace may be the new life for many hearts.

I count on each one of your prayers.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity

Who loves you and guides you.
