**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Stay with Me and witness My Immaculate Heart. Stay in peace in order to be able to see My Light be born before your eyes.

Let us pray for the Reign of Peace so that God in His Glory may bless and guard you.

Keep your little heart in My Heart and I assure you that you will find the relief that you so much seek. Remember that I am your Sacred Mother of Love in whom you can trust because My mission is to take you to the Presence of My Merciful Son. And in this communion you will find the rest that you have expected in your walking, so much for such a long time.

Dear children, embrace with fondness the expansion of My Peace so that all souls in the world may receive from Me the same gift of love. Therefore, My dear children, day by day I invite you to renew yourselves in prayer. In this way My Plans of Peace will be able to be victorious for many souls that are lost.

Now, each one of your hearts knows, in part, the Love of My Kingdom, a kingdom that comes from God. I invite you, My dear ones, to give, without fear, the love of your hearts. Love is the Primordial Essence that can truly give relief to the unprotected and helpless ones.

Dear children, I am calling you to alleviate the suffering of many souls through the powerful gift of prayer. Only with the prayerful giving of each one of your souls will the works of God be able to be taken forward on Earth without being interfered with by the enemy.

The enemy is strong in some hearts, the ones which I will have to rescue and convert. For this reason, My little children, we must pray so that in this last hour each soul may receive its own conversion. United to the Will of God the paths that each heart must travel in life will be the paths that will lead you to God.

God the Father loves you and wants to see the hearts joyful, but the world must surrender itself before the power of His Love.

Who loves you deeply from the Light of My Heart.

Mary, Mother of the Divine Conception of the Trinity
