DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Today I invite you to be living receptacles of God. I invite you to be receptacles of Christ. I invite you to be simple dwelling places for My Maternal Heart.

Today I invite you to be receptacles of the Gifts of Heaven and of the treasures that are spiritually given to humanity, through your acts, through fraternal gestures and through charitable actions; in this way, you will keep these treasures within you and you will not lose the celestial relics that the Universe gives you today through Instruction.

Dear children, may your souls, as receptacles of the Divine, be mediating essences so that the Plan may be fulfilled on Earth.

I wish is that many more souls be encouraged, in these times, to be living receptacles of the Divine through an inner consecration and a life of prayer and of service to current humanity; thus, you will allow Divine Grace to come to the planet and to everything that will be in need of conversion and of redemption.

Never tire of being receptacles of the Divine, because in this way you will recreate this Creation, through your living example of redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
