DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I would like that My children of the world, especially those who are going through the end of times, use prayer as a tool of protection before all the existing movement.

I would like that My children join with that which is unique and primordial so that they may be guided in all that is necessary.

The time has come to learn to go through the end of times, to be able to learn to surpass all obstacles.

Count on the guidance of My maternal Heart, because I will always be there to assist and guide you in the fulfillment of the Divine Purpose, on all planes and in all forms.

Children, I invite you to live prayer, service and absolute surrender, because, in this way, new cells of this humanity will light up and new disciples will want to find their purpose and their mission.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
