

Sacred Devotional of the Triune Union of the Chaste and Sacred Hearts of Jesus, Mary and Saint Joseph

*"So that souls and all the planet may be worthy
of the divine Merits attained by Jesus during His passage on Earth".*

In Her Daily Message received on [October 20, 2017](#), in the city of Mendoza, Argentina, the Most Holy Mary transmitted:

"My dear children, in the Celestial Universe, Our Sacred Hearts, the Immaculate Heart of Mary and the Most Chaste Heart of Saint Joseph, keep in the center of Our Beings a spiritual replica of the Tabernacle of Jesus with the Most Holy and Divine Eucharist.

All souls that dedicate, even for just fifteen minutes, to pray, meditate and contemplate before the power of the Mystery of the Divine Tabernacle of Jesus, through Mary and Saint Joseph, will receive the Grace of a life blessed by God, the Grace of a divine protection at the hour of death, the possibility of celestial atonement for all faults committed against the Sacred Heart of Jesus and also the Grace to be in perpetual communion with the Divine Son of the Universe.

For this reason, I come on this day to give you the Sacred Devotional of the Triune Union of the Chaste and Sacred Hearts of Jesus, Mary and Saint Joseph so that souls and the entire planet may be worthy of the divine Merits attained by Jesus during His passage on Earth."
