DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN DE LOCALITY OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I come to this part of Argentina to institute again the Principles of God that the souls of this place of the nation must live.

I come to banish certain capital powers that have made so many consciousnesses objects of evil.

Because of that, as Co-Redeemer I come to this part of Argentina and return to My beloved Marian Center of the Holy Spirit to be close to My children and to give them what they need to keep taking the steps of faith towards Christ.

I wish by all means, spiritual and divine, that my sons of this region of Argentina, came out of spiritual mysticism, that they opened their eyes and feel in their hearts the true and only Brotherhood, the one that comes from the Universe and permeates with Its Light this part of Argentina.

I come to gather the lost ones, to the searchers of something greater, the ones that have forgotten God within their inner self.

With all of them I will make a new flock so that, recognizing on their paths the footprints of Christ, they may consecrate again to the Plan of the Creator.

This mission that God has commissioned Me has just begun.

I thank you for responding to My call!

Who blesses you,

You Mother Mary, Rose of Peace
