DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

My Sacred Heart rejoices when the sheep return to My flock.

My Heart expands with peace and joy when, among brothers and sisters from the same path, they recognize themselves for love to God.

My Sacred Heart rejoices to see returning to Me those to whom I have belonged.

Each soul has its path drawn through the Will of God. My feet mark the new path for those who will return in time. For this, with courage we must sustain the torch of the transmuting fire that My Heart is giving to you.

Before any test do not allow yourselves to fall down into the abyss and, by means of prayer, illuminate your steps towards the Good and the Light.

I Am amongst you to leave you My legacy, the one which must be considered by all of the groups that pray together with Me. This legacy speaks of the sublime journey that My christified Heart lived on Earth. Follow the signs and the signals that I am revealing to you.

How will you be able to live the Eternal Life if it is not through the faith of My Heart? I wait in silence for those souls that will walk, in less than six months, towards My flock. The sign that has given by My Mother shows you the time of the great purification, of the changes in the consciousness and in this movement there is time to change the everyday life.

Carry in your hearts the visible sign of My Redeeming Cross. I Am with you in the inner of the heart.

Under the Light of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
