DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

Before your Heavenly Mother leaves on the pilgrimage for peace to Argentina and then to Uruguay, on this day I wish to be closer to My children of Figueira and I want to announce that on the 1st of December, the day of the first daily message of that month, I would like to see you gathered at 6:30 p.m. so, together, we may bless the Sacred Manger, as well as all the mangers that My children place to be blessed in their communities and family homes.

My mission and aspiration will be that, by means of this consecration, to be able to work in the heart of the family, and most importantly, in the consciousness of the nations, which in these critical times, will need spiritual help at the moment of making future decisions.

As it was the last 25th of November, your Heavenly Mother would like to see the pilgrims and those who pray gathered again so that I may bless you and all the mangers that you place at the foot of My Altar.

This special encounter also has the purpose of strengthening the spirit of the Sacred Family of Figueira, so that the brothers and sisters of the same path love each other more, much more, as Christ loves you, without condition.

I will wait for you, children, the next 1st of December so that we may enter together into the spirit of the Nativity.

My last request is that all groups of prayer and the pilgrims of the world, for this Christmas, send their greetings of peace and of hope so that this joy and perseverance can be radiated to the families of the world that need to strengthen their faith and their union with God. These greetings of peace will be specially given to all television viewers on the 24th and 25th of December from the Marian Center of Aurora.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
