DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Raise your heart, child, to God, and every day, under any inner or outer condition, be part of His Kingdom of Mercy.

Raise your heart, child, so that the Gift of Grace may make of you a new being at this time.

Raise your heart, child, to God, so that the world may receive much more mercy.

Raise your heart, child, to God, so that evil may be dissipated and souls attain redemption.

Raise your little heart, child, to God, because the world needs of good souls that may, at this time, help to heal the planet with the great stream of prayer.

Raise your heart, child, to God, because at this definitive time in which everything is in play, My Son must be among you to be able to convert this race into what it truly must be.

Raise your heart, child, to God, and the Universe will be attentive to each plea.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
