DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

On this 1st of December, at the beginning of the inner preparation for the Nativity of your Master and Lord, I would like that, through the presence of each manger in the homes of the world, the inner Christ could definitely awaken within you.

This will help that all human consciousness be redeemed and receive a Grace from the Universe in order to reverse all the mistakes committed through the division of families, the exploitation of boys and girls, of all the perversion of current youth.

Dear children, with the sweetness of your hearts and having responded to My call for the manifestation of the mangers, you have allowed your Sacred Mother to work within the family nuclei that are being corrupted due to the lack of true love and sincere peace.

Dear children, My Rays of Mercy have today penetrated the darkest layers of the black market of humanity, where My adversary laughs and plays with millions of human lives.

From that lost and dark place, your Celestial Mother, with the help of all the saints in Heaven and on Earth, rescued and prevented the essence of many human hearts from getting lost.

I would like, My dear children, that you could understand today the meaning and the victory generated through the loving and sincere adhesion of all of My children who dedicated their day to building the Sacred Manger.

The presence of the Sacred Family, in these times and in current humanity, will avoid many events, most of them by means of the intercession of the Three Sacred Hearts.

On this night of Grace, I leave you this reflection and this message for you to meditate upon so that you may believe that your lives and your hands are useful to God and for the concretion of His Divine Plan.

Lastly, I send all the Love of My Heart to My small children of Angola, telling them that My victorious visit to the African lands of Ruanda, Angola and Kenya is still valid and present.

From now on, I will be grateful that you prepare your hearts to respond to this call and to accompany your Celestial Mother.

I thank you for being with Me today!

For the triumph of the Plan of Christ,

Your Mother Mary, Rose of Peace
