**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

The relief of all suffering is achieved with prayer, when each one of you trusts in the light that will arrive to you through it. In this way, little children, you will be able to recognize the Will of God, a Will that radiates truth and compassion to each one of your hearts.

Dear children, in this time embrace the power of love that prayer has when it is done with the heart. In this way you will be collaborating in simplicity, for the relief of the pain of many souls that the Lord has asked Me to help. All of them are sister souls that you will be able to love and feel in prayer. In this way we will be loving those we do not know and those that are far away; in all these souls, true fraternity will begin to be gestated.

Dear children, let us proceed affirming the importance of the prayer that elevates hearts in condition and in feeling. We are now in the time to manifest the spirit of fraternity. The Merciful Lord has asked that many hearts, as many as possible, begin to live with humility in this spirit of fraternity. If in the world people were more loving and fraternal with one another, the Plans of God could already be different.

For this reason, My dear ones, I come to your hearts to give you My Peace so that all may be able to walk towards the spirit of fraternity. The world is sick but we will be able to heal it when each one of you, praying, give everything of yourselves. The Lord contemplates the honesty of your souls and the love that you radiate when you pray.

Live in peace to be able to live in the Love of My Blessed Son Jesus.

In the Love of God,

Mary, Mother of the Divine Conception of the Trinity

May Peace be in the hearts!
