DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

Your prayers are like the flowers in My garden of redemption. Your gestures of love are like the wisdom that allows the understanding of things. Your charity and service is like the door of Heaven, the one which opens itself to give salvation to all.

Today rest in My arms and trust that every purification will elevate you soon in the same way as the flight of the birds but, what will elevate itself will be your spirit, that which will receive the gifts of the Holy Spirit to consecrate itself to the Will of My Father.

I distribute among you My Gifts and My Graces so that they, with reverence, may be presented before the Throne of My Father. Do not forget to carry the cross that the learning of life has given you because to carry your cross and follow me will mean the rescue of other consciousnesses, of the consciousnesses that lose themselves from the lack of their faith and of their love.

A short time ago I was among you to reveal to you the mysteries of My Lord and now you have known a part of My Kingdom. Returning over the clouds I ignite with My Light are the hearts that need the fire of redemption. Some disciples are prepared, but still are missing the ones who have distanced themselves, who have yet to say yes.

Guard the present and the grace of My Words because there will come a day that They will not resound anymore and they will only have to be listened to with the inner ear of the heart. You have received so much that now each soul must give its testimonial of life for these definite times. Looking at the Great Law of My Father, trust in it and open yourselves to be able to lose a little bit more of yourselves and to enter thus into the awaited Kingdom of Paradise.

Under the Grace of God, be blessed.

Thank you for guarding My words in the heart!

Infinite Peace for all,

Christ Jesus, your beloved Instructor.
