**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Never forget to set aside and dedicate some time for the encounter with My Son and with Me through prayer and through Our Presence in your hearts. In these times, dear children, Our careful effort is that Our Hearts of Mother and of Redeemer Son be the columns that may sustain each one of your lives.

Dear children, We as Hearts, have offered Ourselves to the world because God in His Kind Mercy sends Us to recover the world and all of the souls that are upon the face of the Earth.

My children, so that the enemy does not interfere in My Plans of Peace, I invite you to follow Me day by day in prayer. Do not lose the faith that I have given you with love and with gratitude. Whenever you lose the strength to pray do not detain yourselves, run towards My Son so that He may embrace you and shelter you. Whenever you feel lack of love, do not despair, penetrate into the Light of My Immaculate Heart and affirm My Maternal Presence in each one of your lives. I love you deeply and I wait for you as true missionaries of prayer, because in this way you will be able to help Me radiate the peace and faith that are lacking so much in the hearts of all My children.

Awaken the joy and praise God for all the change that you are living in your lives. This is the sign of the consecration of your hearts.

Thank you for responding to My celestial call! True joy for all of your hearts!

Mary, Mother of the Divine Conception of the Trinity
