**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED BY FRIAR ELÍAS**

My Shepherd Priesthood accompanies those followers of Mine, such as the sacerdotes who are consecrated to the Sacred Heart of Jesus, so that they may acquire the gift of the wise and divine word of God. Through their spiritual exercises in the Holy and Sacred Communion, they elevate to Heaven thousands of souls, souls that hope to reach the eternal light.

Through the Sacred Communion many faults are liberated and the hearts of people find, in each new ceremony, the Firstborn Son resplendent in Glory. Each inner act of Communion realized by the kind souls of sacerdotes open the doors of the Heavens so that Grace and Reconciliation may be present.

For this divine gift of forgiveness you and all of the followers of Christ must keep watch because in this time of intense changes the lonely souls and the souls empty of the love of God will find the perfect refuge that they so much search for.

Love the Ministers that profess their faith by means of their sublime encounter with the Communion, see My Presence manifested in them and collect from their teachings the gift for your lives. For this you must be in another state to be able to recognize My Beloved Shepherds, those who will succeed through your prayer of the heart.

Pray for My Ministers because they, through Me, will conduct the awakening of the new flocks of the Great Shepherd.

Under the Glory of the Father and of the Holy Spirit, be merciful and guardians of the word of life of the Gospel.

Thank you for uniting your hearts to My purpose of redemption and salvation!

Christ Jesus.
