DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO FRIAR ELÍAS

The one who quenches My thirst will be with Me in the Kingdom of Heavens.

The one who comforts and glorifies My Heart wounded by humanity will be called Blessed.

The one who considers Me the first one in their life will be a venerable sheep of My Holy Flock.

The one who deeply confesses to Me their sins and perturbations will be forgiven every day by Me .

The one who fully trusts in the love and in the immensity of My Sacred Heart will be called Son of God.

The one who works for love of the Good and pacifies conflicts will be a little shepherd of My Sacred Heart.

The one who loves Divine Justice without understanding it and that lives it as the Only Will of God will be called Server of God.

In those that live Me, feel Me and open to Me the door of the heart, My Heart will be able to have a dwelling and it will be able to guide them through the paths of peace and of good.

Do not fear for anything, but be true at the time of living the merciful law of God because in this way your souls will be transparent like the water and pure like a flower. Seek the truth of My Father above all of the things of life because in this way you will be able to understand His blessed mysteries of the Creation, the blessed mystery of His Magnificent Will.

Day by day I am with you, receiving from your souls all of the true impulses of your being. Be strong in prayer and brave in the love of the Whole. Be always peace makers by means of the Word of the Gospel, be humble before the unexpected events of life.

The key to transcend oneself is the venerable law of silence because in silence one learns to live and to be like God wants His children to be in this time.

Under the Love of the Father, be blessed.

Thank you for answering to the call of My Sacred Heart!

Christ Jesus, the Savior of humanity.
